

# **Freedom Tour**

## **February 25-March 8**

### **2021**

History unveils the mysteries of the world we experience today. One such mystery is the expression of the three major religions of our time, Christianity, Judaism and Islam. It was on the plains of the Nile river, amid polytheistic faith, that an enslaved monotheistic people were called out by the God of Abraham, Isaac and Jacob to journey to the land of Promise.

Come go with us and see this incredible journey from slavery to freedom. We will see wonders of the ancient world and retrace some of the footsteps of these ancient people. We will be awed by the power of pyramids in Egypt and our breath will be taken away atop Masada in Israel. When we finally step into the city of G-d, Jerusalem, we will be enveloped in a world of wonder, miracles, suffering and success. We will visit the region, that to this day still affects our life experience, as we walk the paths of Yeshua (Jesus). Whether you are casual history buff, a person of faith or just always wanted to see this part of the world, the Freedom Tour will be an experience you will never forget. We look forward to taking the journey with you! Below is an outline of the trip and a link to a detailed description of the tour.
